

# Oregon Trial Work Days

The 2 day trial is May 4<sup>th</sup> & 5<sup>th</sup> at Jeff's Place

We need workers to help us set up the sections. We have marked where sections need to be built and we have cleared the loop.

Every day but Mondays are work days. If you can come out on a day other than Saturday or Sunday, please give Jeff a call to make sure he is working on the sections and the weather is favorable. Identify yourself and text Jeff at: 815-978-9040. Phone reception is not the best so text him.

All help is appreciated. Bring loppers, machetes, staple guns, and weed eaters, rakes, leaf blowers, and chain saws and your bike.

Work day times on Saturdays and Sundays: 10:00- til ?
