

Pearl City Trials Event

May 7, 2023

The Pearl City event is an old one. Thanks to Tito Nappi we will be hosting a fun, one day trials event at his place.

This venue features some steep hills, with loose limestone rocks, gullies, and a creek. The soil is a mix of dirt and gravel. The loop is short, so we'll make the sections a little more difficult. Most sections are in the shade.

Parking is limited, so if you don't need to stay over-night with the big RV, that would help. Large RV might struggle getting over the three bridges on the property. Call Tito if you want to camp on Friday. 815-988-5318. Port-A-Pot on site.
